This is the current list of the items required for onward shipment to the Ukraine at the next available opportunity (hopefully in May this year) by the Huddersfield to Ukraine Humanitarian Aid Group

All medications must be within expiry date and bedding and clothing in clean – ready to use/ wear condition. In addition, there is a current need for men's pyjamas any baby wear, and new underwear for men and women

In the autumn, warm adult clothing (i.e. hoodies, T shirts, fleeces and coats, and warm clean baby and children's clothing) are in demand, but please check first to find out if there are any changes to this list
