

Community Project Support Scheme Application

The Aire Valley Eagles is a new style Rotary group that operates within the framework of the Adventurers Passport Rotary Club.

We are inviting Not-For-Profit organisations (including Rotary Clubs) to apply for help and support for any project they may wish to undertake, but lack the human resources or the necessary skill sets required to bring this to completion.

We have access to a pool of people with a diverse range of skills and capabilities that may be able to assist you with your project. For us to assess your application, please complete this form and return it to us by emailing it back to info@aveaglesrotary.org

All we ask in return is that together we form a mutually beneficial partnership.

Once your application has been reviewed, we will be in touch to discuss your requirements in full so we can assess our ability to help you.
